Re: East Home Annual Survey and Investigation #77061-I

Dear Ms. Harms:

A health survey was conducted at your facility by Chris Olson on 7/16/18 – 7/19/18 to determine if the facility remains in substantial compliance with licensure and certification requirements for Intermediate Care Facility for Individuals with Intellectual Disabilities (ICF/ID).

Your facility was found to be in substantial compliance. You and your staff are to be commended for your efforts.

In addition to the annual survey, they investigation of #77061-I was also conducted. A summary of our findings is as follows:

Health Care Services, 483.460, W318 – 483.460(n), W394: Not Substantiated.

Comments: Based on interviews and record review the facility provided prompt and appropriate medical attention was a change in the client's condition was identified. No deficiencies were cited.

Federal and State law require public disclosure of survey findings. Documents pertaining to this survey will be available to the public for review at the Department of Inspections and Appeals and the nearest county office of the Iowa Department of Human Services.

We wish to thank you and your staff for the courtesies and cooperation extended to our survey staff during their recent visit. If you have any questions regarding this survey, please contact us.

Sincerely,

Linda Kellen, Bureau Chief
